AGENDA ITEM # 3

TO: Parks & Recreation Commission
FROM: Manuel A. Hernandez, Commission Liaison
SUBJECT: Hillview Park in General Plan

BACKGROUND

In recent meetings, Parks and Recreation Commissioners have brought up the subject of Hillview Park being labeled in the City's General Plan as Public and Institutional rather than a park. City Hall, Police Department, Library, Bus Barn Theatre, J. Gilbert Smith House and the History Museum are adjacent to the Hillview Park soccer field, baseball field and Community Center.

DISCUSSION

The Commission would like to discuss Hillview Park's status in the City's General Plan and how the Parks and Recreation Commission might advise City Council to look into this.
